Commentaires et notes de dégustation – Millésime 2022

	<p>JAMES SUCKLING</p>	<p>Mai 2023 : 91 - 92 Firm and textured with dark berries, spices and orange peel. Medium-bodied with velvety tannins. Chocolatey finish.</p>
	<p>JEB DUNNUCK</p>	<p>Mai 2013 : 90 - 92 Coming from a tiny vineyard of clay and limestone soils, the 2022 Aiguilhe Querre has lots of limestone-like minerality as well as notes of black cherries, licorice, truffle, and licorice. It's medium to full-bodied, with a good sense of elegance as well as fine tannins. Count me impressed.</p>
